Notes/Narratives

NARRATIVE

NARRATIVE:

On 062209 at approximately 1152 hours, I was on a fully marked police motorcycle monitoring traffic on Gilbert at Palo Verde, Gilbert, AZ as the listed vehicle passed my location traveling s/b on Gilbert. I observed that the window tint on the driver's side window which was in a full upright position appeared to be too dark and in violation of ARS 28-959.01B. I initiated a traffic stop on the vehicle and it yielded at Gilbert and Mesquite.

I contacted the driver and sole occupant of the vehicle and he subsequently identified himself to me as Jason Ready, with an Arizona driver's license. Ready did not know why he was being stopped and I advised him his window tint appeared to be too dark. I used my departmentally issued tint meter, a Laser Labs Model 100, to measure the window tint on two places of the driver's side front window and it indicated the windows tint was at 5%. When I requested Ready's license, insurance and registration he advised me he had guns in the vehicle. I had Ready put both hands on the steering wheel and tell me where the guns were. He told me one was in the passenger seat, and the other was on his ankle. I asked him if he had a CCW Permit and he told me it was expired. Ready then told me the weapon on his ankle was open carry. I looked in the window and observed that he had the left leg of his dress slacks pulled up to just below the knee and he had a small nickel semi automatic pistol in an ankle holster. This was not previously visible from a plain view position outside of the vehicle. His hands came off the wheel and I told him to put his hands back on the steering wheel. I then opened the door of his vehicle and removed the pistol from the holster on his ankle. It was a Raven .25 semi-automatic. I also had him exit the vehicle so I could retrieve the pistol from the passenger seat. This pistol was a Berretta 9mm in a kydex level one retention slip/friction holster with no other securements to keep the weapon in the holster. Ready and I then had an extended conversation regarding concealed weapons, where I tried to educate him on what was allowed by law. I also requested a back-up unit. I unloaded and secured the weapons at my motorcycle. Ready indicated he did not have his expired CCW license with him. Officer Cluff subsequently arrived as back-up.

Upon running Jason Ready's license and driving history information, dispatch advised me of the following. His driver's license was suspended court action required out of Scottsdale for failure to appear.

Ready told me the following in response to my questions. He has an address on Mayer in Maricopa but he does not live there. He lives at 275 W Juniper, Gilbert, AZ. He told me he had a ticket out of Scottsdale he had not paid. He got an extension, and paid one ticket off but had not paid another for \$242.00. He did not know if it had gone to collections. I advised Ready that dispatch was advising me his license was suspended. Ready advised me he had just moved to [REDACTED]. He also indicated he had a [REDACTED].

A CCW check on Ready did not show he had a CCW permit. Also neither weapon was listed as stolen.

At approximately 1208 hours, I verbally advised Jason Ready that he was under arrest for driving suspended. I advised him he would receive a citation and be allowed to appear in court. I also advised him his vehicle was going to be impounded, under ARS 28-3511. Officer Cluff completed a tow form at my request. Ready was subsequently cited and released for driving suspended and related civil traffic violations.

Notes/Narratives

Prior to allowing Ready to retrieve property from his vehicle I obtained his verbal consent to search the vehicle to ensure there were no other weapons in the vehicle. I searched the vehicle and no other firearms or contraband was discovered. I then allowed Ready to remove his personal property from the vehicle. I inventoried the vehicle prior to it being impounded by Valley Express towing by order of police.

Jason Ready was ordered to appear at the Gilbert Police Department on 070109 to be fingerprinted. Ready signed the Fingerprint Notice and he was served with a copy of it. Ready was also provided with a tow pamphlet and a copy of the tow form.

It should be noted that this contact was digitally audio recorded. I also took digital photos of the vehicle. The audio recording and photos were copied to a CD and the CD was impounded as evidence. Ready's suspended driver's license was also confiscated as evidence.

CONCLUSION:

Case cleared by arrest. No further action by this officer.
